

Assignment 2

Read section 1.4 and work problems 19, 20, 22, 27 (from chapter 1). Provide justifications for your answers. You may use the limit approach to determine complexity classes.

Work problems 34 and 35b (from chapter 1).

Read sections 2.1 and 2.2 and work problems 2, 8, and either of 7 or 13 (from chapter 2).
